

**Introducing our new and improved
mobile experience for managing
your business on the go**

We're excited!

We are excited to announce the evolution of our treasury management mobile experience. Say hello to our modern, seamless, and feature rich mobile experience. It is a great complement to round out the full cash management experience!

We continue to deliver the best in cash management features as we have historically provided, now with the following additional experience upgrades:

- Redesigned dashboard and menu
- Average balance graph
- Extended search and filter
- Improved check positive pay decisioning
- Dark mode
- Loan Payments
- iPad compatibility

Everything you need in the office or on the go!

- View balances Transactions
- Mobile deposits - single or multiple checks
- Payment approvals
- ACH and Check positive pay decisioning
- ACH, Wire and Transfer origination from templates
- Payment research

Android or iOS. Standard or dark mode - How do you transition to this new experience?

Easy. Head to: <https://treasury.jackhenry.com/pwa/missionbank/login>

iPhone Users. To add the application to your home screen, select the share icon at the bottom of the screen and then select "Add to Home Screen".

Android Users. After you type in enter the URL, if you are prompted, select "Install" select Install if prompted.

Note: If you aren't prompted select install, simply tap the three dots icon from the browser and select Add to Home screen.

Transitioning is time sensitive

The current mobile app will be discontinued as of March 03, 2025, so please start the process of moving to our exciting new mobile experience now.
